LEAVE THE CROWDS & CLICHES BEHIND
Small, Elegant Ships That Carry No More Than 312 Guests

AUSTRALIA & NEW ZEALAND 2020-21

Wine, Wildlife and Natural Wonders Await You

Explore Australia & New Zealand by land and sea, and you'll discover a whole new meaning to the term wildlife. Windstar gets you up close and personal with countless species from wombats, dingoes, kangaroos and wallabies to wedge-tailed shearwaters, black swans, manta rays, and killer whales. But that's just the beginning. Windstar also takes you down the road less travelled to immerse you in the area's intriguing history, traditional culture, and incredible wine country.

SMALL SHIP EXPERIENCE

With fewer than 312 guests, a Windstar yacht is large enough to pamper and indulge, yet small enough to anchor in secluded coves and dock in the heart of tiny Old World Villages – places larger ships can't reach. Experience cultures in ways that are personal, authentic, and unscripted – just as you would if you arrived in port on your own private yacht. Surroundings onboard are elegant, sophisticated, and fresh from renovations that reflect the discerning tastes of our guests. Days are relaxed and unregimented, perfect for stimulating conversations with like-minded travellers and engaging crew. And throughout the ship, you experience a delicious freedom from crowds, and warm, impeccable service that's been voted the best on the seas.

PERSONALISED SERVICE

There you are, stretched out on your deck chair, savouring the gentle sea breeze, and – voila! – the perfect refreshing drink appears at your side.

Or you're just finishing dinner, contemplating the beautiful evening ahead, when – presto! – your absolute favourite dessert is suddenly in front of you. Or, after a day of exploring, our attentive crew is at your service welcoming you back with a warm smile. Are we really psychic, or are we just paying attention to what will make your moment perfect?

WORLD CLASS CULINARY EXPERIENCE

The most delicious thing happens when you dine on a Windstar yacht. The essence of the culture you just explored on shore miraculously appears as a culinary masterpiece on your plate. The freshest local ingredients, seasonal produce, and amazing ingenuity goes into each dish, made to order just for you. You may even have accompanied the chef to a local market to select the roma tomatoes and basil in tonight's special.

GET CLOSER TO THE WORLD

Only on Windstar's small ships can you dine alfresco as you skirt the legendary coastline of some of the world's most beautiful destinations. It's an intimate style of cruising that promotes connections, understanding, and a renewed sense of wonder.

CELEBRATE

A voyage on a Windstar yacht is an ideal reason to combine with a celebration of a special occasion – whether it being celebrating a special birthday, honeymoon, anniversary or family reunion, the onboard atmosphere on any one of the six yachts matches perfectly with any celebratory occasion.
