A full-page photograph with a warm, golden-orange color palette. In the foreground, a large, circular fishing net is suspended by wooden poles, its mesh creating a grid-like pattern. In the middle ground, a fisherman wearing a hat and a long tunic stands on a small, narrow boat. He is holding a large, conical fishing net aloft with his right hand and a long pole with his left. The boat is on a calm body of water, and the fisherman's figure is reflected in the still surface. In the background, a range of mountains is visible under a hazy, sunset sky. The overall mood is serene and traditional.

Exploration Redefined

AN EPIC JOURNEY THAT WILL CHANGE YOU

On 6 January 2022, *Insignia* will embark on a voyage of epic proportions, sailing around the globe to six continents and more than 40 countries. Thoughtfully designed for the seasoned traveller that has dreamed of exploring the furthest reaches of our world, this transformative journey invites you to discover a more profound connection with cultures spanning the globe. Our 2022 journey offers two curated itinerary options embarking in either Los Angeles or Miami and ranging up to 196 unforgettable days.

The re-inspired ambience, luxurious amenities and The Finest Cuisine at Sea™ aboard the better-than-new *Insignia* will create the perfect complement to your fulfilling days of adventures ashore. Whether you choose to unwind at the Aquamar Spa + Vitality Center, gather with newfound friends over a bottle of wine or channel your inner creative spirit at Artist Loft, *Insignia* will be your luxurious home at sea as you sail from one spectacular destination to the next.

Pleasures of the Palate

THE FINEST CUISINE AT SEA™

Sailing around the globe offers the chance to sample some of the finest cuisine in the world at the very best shoreside restaurants. A world voyage with Oceania Cruises means you will savour exquisite global cuisine while on board *Insignia*. Inspired by the legendary Master Chef Jacques Pépin, our Executive Culinary Director, the talented chefs on board create culinary masterpieces. From Continental classics, Aquamar Vitality Cuisine and plant-based dishes at The Grand Dining Room to authentic Italian cuisine at Toscana to perfectly prepared steaks and seafood at Polo Grill, the options are nearly endless. Of course, a voyage of this scale must take full advantage of the opportunity to celebrate world cuisines, so an array of special events will highlight authentic local fare. Enjoy delicious Polynesian specialities such as poisson cru and smoked trout rillettes at Terrace Café while sailing the South Pacific or a colourful Bollywood night as you cruise the Laccadive Sea. Regardless of the region, an endless array of gourmet culinary experiences awaits you.

Savour Every Moment

LIFESTYLE

While the impressive worldwide destinations are quite naturally the star attraction on this extraordinary voyage, you are certain to enjoy the rich and varied ambience aboard *Insignia*. You might lose yourself in deep relaxation with a soothing massage or rejuvenating treatment at our Aquamar Spa + Vitality Center. Or perhaps you will be inspired by the creative workshops at Artist Loft. Meanwhile, the putting greens on the upper deck make for an ideal location to practise your swing and take in the gorgeous vistas. Gather together with friends for cocktails at Martinis, enjoy the timeless tradition of teatime at Horizons or try your luck at the Monte Carlo-style casino. On days when you wish to simply relax, the plush English-style library or Balinese daybeds poolside offer the perfect retreat during this wonderful journey.

A photograph of two violinists performing in an orchestra. The violinist in the foreground is seated, wearing a dark dress, and is captured in the middle of a bow stroke. Her violin is a light-colored wood with a dark neck. The violinist in the background is also seated and playing. To the right, a music stand with sheet music is visible. The floor is made of light-colored wood. The overall lighting is warm and focused on the musicians.

Enrich, Enlighten and Energise

ENTERTAINMENT

A wonderful spectrum of entertaining and enriching activities awaits you on board, many designed to further enhance your experiences ashore. A bevy of experts will share personal insights on the history, arts, culture and cuisine of the fascinating ports of call you will explore, so you can experience each to its fullest. Other special guests will be on board to help celebrate the pure joys of cruising. Spend days at sea improving your bridge skills with a master of the game or join a lively trivia contest with friends. Listen to a talented pianist interpret a classic concerto or learn the secrets of regional cuisine from a local chef at a special culinary demonstration. Spend the evenings enjoying colourful high-energy production shows and critically acclaimed headline entertainers, socialising with friends or dancing the night away at Horizons.

A person is lying on their back on a green and white patterned beach towel on a sandy beach. They are wearing a white t-shirt and light blue shorts. Their head is buried in their hands, and their legs are bent at the knees. In the background, another person is sitting on the sand, also with their head in their hands. The scene is brightly lit, suggesting a sunny day.

Visit a remarkable array of iconic attractions in and around Beijing and come away with clear understanding of the capital's historical and cultural importance. Bring along your bucket list, as you will be checking off one landmark after another. You will visit the Temple of Heaven, where the emperors prayed for bumper harvests, sprawling Tiananmen Square and the fortified Forbidden City that served as China's imperial palace for nearly five centuries – and that is just in one day. You will also walk the impregnable section of the Great Wall that spans Juyong Pass before flying inland to Xi'an. What a thrill to browse its Terracotta Warriors Museum, a repository for thousands of clay soldiers that were buried with China's first emperor to accompany him in his eternal rest.

ARMIES OF THE FIRST EMPEROR FROM SHANGHAI

3 DAY | 31 MARCH 2022

Browse one of the world's greatest archaeological discoveries at the Terracotta Warriors Museum in Xi'an, which holds thousands of life-size clay soldiers and horses that once guarded the nearby tomb of China's first emperor. Buried for 2,000 years, the clay figures were not found until 1974. Incredibly, each one was created individually with unique characteristics, grouped by battle order, armed with weapons and then covered with earth to protect the deceased Emperor Qin. You will also see the intact ancient wall that stretches around Xi'an, a monumental structure with nearly 100 ramparts. Meandering through the Big Wild Goose Pagoda will reveal the long influence of Buddhism in this area, as it was first constructed in the 7th century. The brick pagoda soars seven stories, but was built without cement.

HOMETOWN OF THE GIANT PANDA FROM SHANGHAI

Featuring the world's largest collection of pandas – more than 100 live at the facility – you will observe these beloved creatures as they eat, play and interact with each other in a setting that replicates their natural habitat. Pandas are indigenous to the mountains of central China, but their numbers are so low that they have come to symbolise vulnerable species. This is a rare chance to see so many giant pandas at once. To enhance your understanding of this part of China, you will also browse the Sanxingdui Museum, a repository of stunning artefacts from the ancient kingdom of Shu.

RIISING DRAGON: HANOI EXPERIENCE FROM HA LONG BAY

2 DAY | 6 APRIL 2022

Similarly, Ngoc Son Temple perches lakefront on Jade Island, but it commemorates a 13th-century military hero rather than a religious figure. The Temple of Literature is another historical highlight, as it was constructed as a university in 1070 to honour Confucius. While you will also visit the infamous Hanoi Hilton, where American POWs were held during the Vietnam War, much of this excursion's second day will be devoted to Ho Chi Minh, North Vietnam's president. You will view his mausoleum and the stilt house where he lived until his death in 1969.
