

# Freo, Rotto and the marvelous Margaret River

*History and heritage, wildlife and waves; a family-friendly adventure of Western Australia's capital and the marvellous Margaret River region.*

With the contemporary Hougoumont boutique hotel as your base, explore Fremantle's cool café scene and uncover the port city's colourful convict history on a private tour of its world-heritage listed prison.

Take the ferry to Rottnest Island and enjoy a two-night glamping experience at the island's new beachside eco-retreat. Snorkel in turquoise bays and ride the island's scenic cycleways, stopping of course to capture an insta-worthy selfie with a cute and smiling quokka!

Returning to the mainland, collect your rental vehicle and head south to the Pullman Bunker Bay Resort, your base from which to explore the Margaret River region's waterways and coastal walks, stunning scenery and famous surf beaches, tempting foodie finds and towering karri forests. We have also included an Aboriginal-led bushwalk to learn traditional bushfoods, medicines and fire-making techniques; and to listen to the captivating rhythms of the didgeridoo played inside the Ngilgi Caves, exquisitely decorated with stalactites and twinkling crystal shawls.

**Price:** From AUD\$6,360 total cost for a family of 2 adults and 2 children under 16 years of age.
