

BOOK YOUR FUTURE TRAVELS WITH CONFIDENCE

Viking's commitment to its family of guests and staff is that their safety and wellbeing is always its number one priority. That's why Viking was the first cruise line to temporarily suspend operations on 12 March, and why they will only return to sail once again when it is safe to do so.

In the meantime, Viking is busy planning new itineraries, opening up new destinations and building new ships, so that when you are ready to travel again, you will have more choice than ever before.

With small and spacious ships on the rivers and the oceans and soon, expeditions, Viking will deliver a safe and comfortable experience. Sleek and modern, the award-winning fleet boasts all-outside staterooms, wide corridors and plenty of space. No crowds, no inside staterooms and no kids is just the beginning.
