

2022 japan

Diamond Princess® sails Japan in 2022 departing from Tokyo (Yokohama) and Kobe with 33 destinations in four countries. Discover the culture, history, cuisine and natural wonders of this island nation. Sail where ancient traditions and modernity exist in harmony on the #1 North American Cruise Line in Japan.*

Timeless festivals: In 2022, Princess® offers a variety of ways to visit local festivals with 9 opportunities to see these timeless celebrations, including the Kyoto Gion Festival and the return of the popular Northern Japan with Nebuta Festival. Princess® will also make a maiden call to the port of Hitachinaka, for access to the shrines and temples of Nikko.

Legendary sites: Our 2022 cruises give you the opportunity to visit 10 UNESCO World Heritage Sites. These include Mount Fuji, ancient Kyoto, the Buddhist monuments in the Horyu-ji area, the shrines and temples of Nikko, the historic villages of Shirakawa-go and Gokayama and the Hiroshima Peace Memorial.

Cultural Immersion: Step into tranquil temple gardens and rejoice in the harmony of beautiful landscapes. Savor sumptuous Japanese flavors on shore as well as locally-

inspired cuisine on board. And our More Ashore program offers late-night stays in Akita, Aomori, Busan, Hakodate, Kobe, Kochi, Nagasaki, Osaka, Shimizu, Tokushima, and Toyko (Yohohama), so you can spend more time in these popular ports of call.

Diamond Princess®: Built in Japan, Diamond Princess® offers a cruise experience like no other. Dine on authentic cuisine at Kai Sushi, soak in the traditional Izumi bath and enjoy folkloric shows and regional entertainment. And in 2022, she'll also feature our exclusive Princess MedallionClass™ Experience, with TrulyTouchless™ check-in, anything you want delivered, anytime, anywhere on board and so much more.

"We love working with Princess Cruises® and they have really put so much effort into bringing an immersive and varied Japan experience to their guests. You can really dive into this incredible destination and see more of the country with ease all while still being able to return to those creature comforts at the end of a long day exploring. What a great way to see Japan!"
