### **Day 1 - Depart Brisbane or Sydney, arrive Uluru**

Aboard our chartered Private Jet we leave bound for Australia's Red Centre. A gourmet lunch is served on board our flight, accompanied by fine wines. Upon touching down, we are escorted to our contemporary hotel, Sails in the Desert, where views of Uluru are a feature. As evening descends, we dine on an exquisite meal at a private Sounds of Silence dinner, with the sounds of a didgeridoo grounding us firmly in this magical Outback setting.

### **Day 2 - Uluru**

Before the heat of the day settles, spend the morning exploring the Outback's rugged terrain on foot. Follow the trails through Uluru-Kata Tjuta National Park or Walpa Gorge, where towering red rocks whisper of sacred Indigenous history. The day slips away, and the space around Uluru illuminates with the Field of Light. As thousands of coloured lights dance in the desert, we thrill to glorious renditions of opera's best-loved hits as some of Opera Australia's finest singers, accompanied by a chamber orchestra, perform in the shadows of the iconic rock.

### **Day 3 - Depart Uluru, arrive Sydney or Brisbane**

Following last night's memorable performance, we find a renewed sense of connection with the land. Enjoy breakfast and spend a final morning amid the soaring white sails of our five-star hotel. We take one final look at Uluru in the distance, before returning to our Private Jet. Lunch is served on board with free-flowing beverages as we soar to Sydney. An option to continue to Brisbane is also available.
