3 DAY INTERLUDES BY PRIVATE AIRCRAFT

Limited spots remain across our popular 2021 'Interludes'. These journeys of 3 days or less are a great way for you to experience the essence of Captain's Choice for the first time.

A new era of travel brings an exciting and fresh approach to discovery. For those short on time, but unwilling to compromise on substance, our range of Interludes capture the experience of a Captain's Choice journey in five days or less. Flying by privately chartered aircraft, and as part of a small group, we travel to the most remote regions of Australia, often covering vast distances to combine multiple settings.

Accompanied every step of the way by our handpicked Tour Managers and Tour Doctors, we celebrate the uncompromising service that is one of the hallmarks of a journey with Captain's Choice.
