

WELCOME BACK TO THE WORLD

DISCOVER A SELECTION OF SPECIAL OFFERS ON OCEAN, RIVER & EXPEDITION CRUISES

WELCOME BACK TO THE WORLD

The last two years have helped us appreciate what's truly important and what defines a well-lived life. As a Viking, we know travel isn't just something you do; it's who you are, and you need to explore the world again.

Finally, after what feels like a long winter, spring is here, and it's time to welcome back your sense of curiosity, reawaken your explorer's spirit and get ready to create new connections with like-minded people.

Now is your time to make up for lost time – and we don't want you to waste another precious moment.

So, we've been preparing to welcome you back to the world The Viking Way. With profoundly enriching

journeys, immersive experiences, no kids, no casinos, and the industry's best Health & Safety Program, so you can travel the world with complete confidence.

Throughout the following pages, you will find a collection of carefully curated ocean, river and expedition voyages and exclusive offers **including flight offers and savings of up to \$8,000 per couple.**

Whether you dream of wandering through the fjord-rimmed cities of Scandinavia, taking part in treasured traditions of eastern European cultures, sailing the crystal-blue waters of the Mediterranean or marvelling at rare wildlife in Antarctica; your journey starts today.

WE'RE NOT FOR EVERYONE

And That's Precisely The Point

At Viking, we design enriching cruises for curious, experienced travellers with true explorer spirits. Our unique approach to cruising is defined as much by the things we leave out, because we think it's what we're NOT that sets us apart.

THE VIKING DIFFERENCE

Meaningful travel, tailored to you

AT VIKING, WE DO NOT TRY TO BE ALL THINGS TO ALL PEOPLE. Rather, our loyal guests continue to choose us every year because of our unique approach to cruising that is defined as much by the things we include, as the things we leave out. Well-travelled and culturally curious, our guests are not interested in over-the-top ships or novel thrills, and neither are we. That's why we forgo things like casinos and black-tie dinners in favour of delivering meaningful experiences, tailored to you.

WHAT MAKES US SO DIFFERENT? WE INCLUDE MORE, WHERE IT MATTERS MOST.

More Value

We don't underestimate the importance of good value, so we make sure to include more features and amenities in your cruise fare than other cruise lines. All meals, wine and beer with lunch and dinner, a shore excursion in every port, Wi-Fi, gratuities and even access to our state-of-the-art spa on our ocean and expedition ships are part of your Viking fare.

More Culture

With more time in port and more overnight stays, you'll have ample opportunities to soak up the fascinating culture of every destination you visit. On board, the cultural enrichment continues with educational lectures by destination experts, enough books to fill a library, live performances and meals bursting with local flavours.

More Meaning

We aren't called The Thinking Person's Cruise for nothing. We know that uncovering the art, food, wine and culture of the places we visit is important to you, so we focus our energy on creating meaningful onboard and onshore experiences that linger in the mind long after you disembark.

More Style

Our elegant Scandinavian-inspired interiors boasting beautiful blonde wood, clean lines and art-covered walls impress all who feast their eyes upon them.

What our Risk-Free Guarantee means for you:

- ✓ The freedom to change your cruise up until 14 days before your scheduled departure date
- ✓ A future cruise voucher in the amount of 100% of all monies paid to Viking if you cancel your cruise
- ✓ Zero fees for changing your cruise
- ✓ Up to 24 months to use your voucher on a new reservation for any Viking river, ocean or expedition cruise

INDUSTRY-LEADING HEALTH & SAFETY

Cruising's most comprehensive health and safety program

FOR MORE THAN 24 YEARS, Viking has had the highest standards of health and cleanliness, and our new, updated protocol enhancements make travelling with Viking even safer. Developed in coordination with an international team of scientific and medical advisors including Chief Health Officer Vice Admiral Raquel C. Bono, M.D., the Viking Health & Safety Program is one of the most well-researched and comprehensive COVID-19 prevention and mitigation plans in the travel industry. Part of these protocols include the requirement that all Viking guests and crew are vaccinated against COVID-19. It's these measures that keep you safe, while letting you enjoy your cruise the way you expect to.

VIKING'S SAFETY-FIRST APPROACH:

PCR testing and dedicated PCR laboratories –

Viking is the only cruise line to install full-scale PCR laboratories on its entire fleet of ocean ships, as well as the soon to be launched expedition vessels. This means we can conduct quick, non-invasive saliva PCR tests every day, testing crew and guests in the privacy of their staterooms, keeping everyone safe. Everyone is tested prior to embarkation, and local partners – including motor coach drivers and tour guides – are tested before any tours.

Contact tracing devices – All guests receive a small contact tracing device to wear around their neck or keep in their pocket.

Improved air purification – All Viking ships feature short-wavelength ultraviolet (UV-C) lights and new high-density filters that sanitise the air and kill 99.99% of all airborne bacteria and viruses. Plus, enjoy fresh air in your stateroom, knowing that all staterooms on Viking ocean ships feature independent air handling units that do not share air with other areas of the ship.

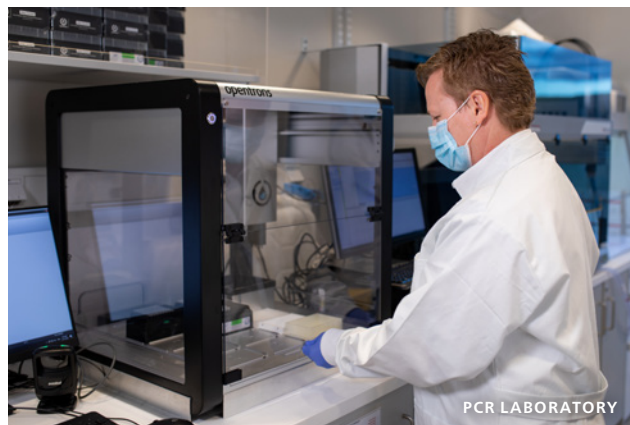

TORSTEIN HAGEN

“The health and safety of our guests has to come first.”

Torstein Hagen, Chairman, Viking

Industry-first sanitisation – In an industry-first, we are using new sanitisation robots that utilise UV-C light to treat surfaces in guest and crew public areas every night, while you’re asleep. All surfaces on your ship and on motor coaches are continually disinfected, with daily deep cleanings scheduled and more hand sanitisation stations available.

Other procedures and facilities implemented on our fleet of small ships include daily digital health questionnaires, temperature checks via automated thermal cameras, crowd free check-in including the option of touch-free online check-in, physical distancing and face mask use in keeping with local guidelines, updated medical facilities with specialised equipment, and smaller group transfers for those with flights arranged by Viking Air.

“We knew at the time that the technology and science really supported PCR labs because that was the type of testing that most reliably caught the virus the earliest.

So then it just became a matter of configuring the space onboard the ships to accommodate the labs and make sure we had the right kind of equipment and the right kind of lab techs – who we trained ourselves.

These labs are truly state of the art.”

Vice Admiral Raquel C. Bono, M.D.,
Chief Health Officer

OCEAN CRUISES

In 2015, we introduced our award-winning river cruise philosophy to the oceans.

Today, our eight state-of-the-art sister ships sail through Scandinavia and Northern Europe, the Mediterranean, the Americas, Asia and beyond.

Accommodating just 930 guests, our ocean ships are designed to take you right into the heart of each destination, docking in ports that are inaccessible to larger vessels. Plus, with fewer sailing days and more time spent in port, our enriching itineraries allow you to immerse yourself in the history and culture of each city in more depth.

On board, discover serene, open spaces filled with natural light, as well as alfresco dining areas and chic staterooms complete with private verandas. You will also notice subtle, stylish nods to our Nordic heritage — from the teak and limestone accents to the colourful tapestries and window treatments.

Book your 2022, 2023 or 2024 cruise by 24 December 2021 for savings up to \$2,800 per couple.

EXPEDITION CRUISES

Last year, we were thrilled to announce the launch of Viking Expeditions. From 2022, you will be able to explore Antarctica, the Arctic and North America's Great Lakes on board our two purpose-built, state-of-the-art expedition ships — Viking Octantis and Viking Polaris.

Enjoy the same elegant, Scandinavian-inspired design features and comforts of our award-winning ocean vessels, as well as panoramic views of your spectacular surroundings — not to mention the incredible wildlife — from any location on board. Plus, you will have access to two six-seater submarines, two 12-seater convertible RIBs, a fleet of two-seater kayaks and more.

Book your 2022 or 2023 cruise by 24 December 2021 for savings up to \$8,000 per couple.

THE VIKING DIFFERENCE

Destination-focused. Culturally enriching. Carefully curated.

- Our purpose-built ships provide superior handling, comfort and stability in the roughest seas – the only passenger ship to use U-Tank stabilisers to reduce rolling by nearly 50%.
- Viking ships will also be faster than many, allowing faster travel across the Drake Passage and more time in your destination.
- Dynamic positioning systems allow navigation into the best landings.
- Another industry first, our internal marina The Hangar, lets you board expedition RIB safely from directly inside the ship.
- No detail overlooked, every stateroom features heated drying closets to warm and dry your expedition gear quickly.
- Our itineraries are designed to provide a greater variety of up to two to three daily excursions subject to mother nature, which can be managed seamlessly and in real time through the Viking Expeditions App.
- Discover the world's most advanced venue for learning at sea, The Aula which opens to a stunning 270° auditorium.
- The heated sanctuary of three different temperature pools features a unique "inside-out" pass-through swimming experience.
- Unlike other expeditions, Viking is designed for any fitness level.
- And Viking's Inclusive Value means everything you need is included in your fare – yes, even the submarines.

DESIGNED FOR DISCOVERY

Facilitating next-level exploration

We have raised the bar when it comes to our custom-built expedition ships, and our equipment and facilities are no different. What is different to other expeditions, is the fact that our fleet of military pro zodiacs, convertible RIBs (rigid inflatable boats), two-seater kayaks and two yellow six-seater submarines are complimentary for all guests to use throughout their voyage.

Military Pro Zodiacs

Designed for professional use in the harshest of environments, these zodiac MilPro MK5s are reinforced throughout, yet comfortable enough for a day of exploring your new destination.

Two-Seater Kayaks

With superb stability, these easy-to-operate, Arctic-tested kayaks seat two people and have a pedal system that lets you glide through the water hands-free, maximising your photo opportunities.

Six-Seater Submarines

Enjoy complimentary access to two large-capacity Uboat Worx Sub 7 submarines. Both comfortably accommodate six guests and a pilot for an incomparable undersea experience. The revolving seats and the nearly 270° spherical windows offer an undistorted view in all directions for every guest.

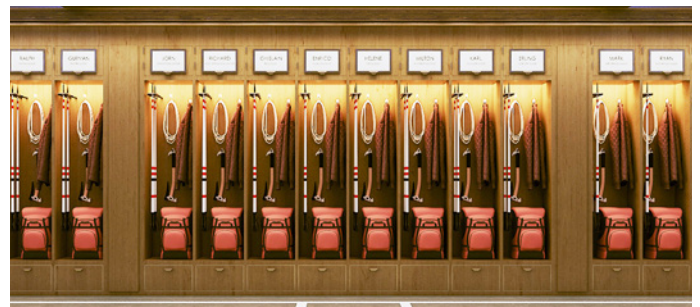

12-Seater Convertible Ribs

Take advantage of these two 12-seater oceangoing RIBs (rigid inflatable boats), built for exploration. A dual water jet system, individually suspended seats and — when converted to a covered RIB — the option to sit in an enclosed cabin are all industry-leading features.

Science at Sea

Experience a new level of education at sea by participating in collaborative science during your excursions, facilitated via landings by zodiac, RIB cruising or submarine journeys.

Expedition Gear

We provide all of the gear that you need to explore – from boots, trekking poles and binoculars to waterproof pants, snowshoes and skis – at no charge.

INTRODUCING THE GREAT LAKES

Discover natural wonders and outstanding beauty

America's Great Lakes are a little-known, unspoiled wonderland, boasting diverse natural beauty, scenic wildlife and some of the most interesting cities in North America. Over 1,200 km across with 10,000 miles of coastline, the Great Lakes cover an area twice as large as Pennsylvania. Glide silently by kayak past otters in Georgian Bay, hear the roar of Niagara Falls, hike through verdant old forests or visit Canada's prominent museums to marvel at art inspired by these shores.

Highlights include exploring the largest freshwater ecosystem on earth, watching for wildlife, from bald eagles to moose, bears and beavers, and the opportunity to transit engineering marvels like the Welland Canal and Soo Locks.
